

# HILLSIDE

# PROJECT OVERVIEW

BETWEEN WISCONSIN AVENUE AND WALNUT STREET

March 19, 2021

## I-43 CONSTRUCTION TO BEGIN EARLY SPRING 2021

The Wisconsin Department of Transportation (WisDOT), as part of the I-43 Hillside Interchange project, is scheduled to begin preventative maintenance on I-43 and overhead bridge structures, between Wisconsin Avenue and Walnut Street. As part of this project, there will be a concrete bridge deck overlay and painting on the 12th Street bridge over WIS 145 (Fond du Lac Avenue), polymer overlays on 11 bridges over I-43, and rehabilitation of the Kilbourn Avenue tunnels. Construction is scheduled to be completed early fall 2021.

### The following work is scheduled to take place in 2021:

- I-43 NORTH exit ramp to Kilbourn Avenue to close early spring through late summer
- Kilbourn Avenue entrance ramp to I-43 NORTH to close early spring through late summer
- 12th Street, between Walnut Street and Cherry Street, to close spring through summer
- Overnight lane closures of I-43, between Wisconsin Avenue and Walnut Street through early fall
- Overnight full and lane closures of local road bridges over I-43, between Wisconsin Avenue and Walnut Street spring through early fall

*All work is weather dependent and subject to change*
